

Bulldogs Give Back

Bailey Monthly Community Service Opportunity

New this school year, Bailey Elementary is partnering with a local charity organization, One Dublin (formally known as Welcome Warehouse). Each month we will be collecting a specific item of the month which your child can bring in or you may drop off anytime during the month. Look for the large wooden bin within the first set of main doors that says "One Dublin".

October's Collection: Gently Used Adult/Children's Sweatshirts and Athletic Pants/Leggings

This is designed to be an easy way for Bailey families to give back and help local community members that are in need when and if they can. So, as you are clearing out your dressers and closets and come across a monthly wish list item, put it to the side and drop it off in the bin at Bailey.

Thanks so much for your help, Bailey Bulldogs!

Bulldogs Give Back
